

## REP BULLETIN: 29

## BTR-1 and TR-1 Product Release

**TO:** All Telex Reps

**FROM:** Mark Gubser

**DATE:** 04-07-2005

The BTR-1 Base Station and TR-1 Beltpack, Full Duplex Voice Encrypted Wireless Intercom System are available to order.

**BTR-1 Base Station**  
Part # 71897xx

**TR-1 Beltpack**  
Part # 71898xx

The BTR-1 system is a One to One (one base station to one belt pack) full duplex, digitally encrypted wireless intercom that offers a list of standard features that is unparalleled in the industry. Features like UHF frequency agility, digital audio encryption, advanced ClearScan™, three audio channel capability with 2-wire line mix, signal relay closure, TR-1 battery telemetry to the base station, base station RF meter and much, much more. Combine all of these features with an easy-to-use graphical user interface that lets you get started right out of the box, and you've got the most versatile wireless intercom ever produced. The BTR-1 is packed full of the latest technology like Intelligent Power Control™, DSP Digital Audio Processing and proprietary digital audio encryption. This wireless intercom system not only sounds great but, provides secure communications at the same time. The BTR-1 system is available on 34 different frequency band splits.

The BTR-1 and TR-1 (and accessories) are included in the Intercom and Headsets Price List – EFFECTIVE March 1, 2005.

Included with this bulletin are a comparison between the BTR-600 and the BTR-1 wireless intercom systems and a **RadioCom™** UHF Frequency Band Chart that details the specific frequency band offering of the BTR-1 and the BTR-800 and BTR-700 wireless intercom systems.

If you would like additional information on the **RadioCom™** series of wireless intercom products, please contact one of our inside sales representatives by calling 1-800-392-3497 x4654.

Best Regards,
